

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

WHERE YOU BELONG

**YMCA of Greater Des Moines
2018 Annual Report**

Dear Friends Of the YMCA,

The year 2018 was a very special one for the YMCA of Greater Des Moines.

In 2018, we celebrated our 150th year of serving Des Moines and surrounding communities with programs and services focused on youth development, healthy living and social responsibility. This is a remarkable record of achievement, made possible through the contributions of thousands of individuals who believed in our mission and dedicated themselves to our cause.

As part of our year-long celebration, we completed one of the largest and most significant projects in our Association's history: the MidAmerican Energy Company Aquatic Center at the Wellmark YMCA in downtown Des Moines. This magnificent facility, with the Olympic-size Prairie Meadows Pool as its centerpiece, further enhances the Y's reputation as the community leader in swimming and aquatics.

As we look back with pride at all the Y has accomplished during its first 150 years in Des Moines, we also look ahead with faith and optimism, knowing that in many ways, our best days lie ahead of us. Thank you for the role you play in making the YMCA a place where all in our community -- of every age and background and income level -- can come together to learn, grow and thrive.

Sincerely,

Dr. Teri Wahlig
Board of Directors Chair

Cameron Nicholson
Interim Chief Executive Officer

Mission

To put Christian principles into practice through programs that build healthy spirit, mind and body for all.

Who We Are/What We Do

The YMCA of Greater Des Moines is a powerful association of men, women and children joined by a common cause: strengthening the foundations of community. At 10 branch locations, more than 100,000 individuals are served annually through programs and services focused in the areas of youth development, healthy living and social responsibility.

Youth Development

At the Y, children and teens learn positive values and positive behaviors, and have the opportunity to explore their own unique talents and interests. That makes for confident kids today, and contributing and engaged adults tomorrow.

Kids from low-income families often start school unprepared, and during the summer they fall further behind their peers – unless someone steps in to help. Children who take part in summer learning programs sponsored by the Y show an average of 3.3 months of growth in reading skills by the end of the six-week program. Through youth sports, summer day camp, resident camp and before-and-after-school programs, the Y provides 10,000 kids each year with a safe place to go and the opportunity to build positive relationships with peers and adults.

Drowning is the second-leading cause of accidental death among children ages 5-15 – and it's almost entirely preventable. By providing children with knowledge and skills attained through swim lessons and water safety programs, the Y is helping save lives and opening the door to a fun, healthy activity that can be enjoyed for a lifetime.

Healthy Living

Physical fitness important, but true well-being is achieved when we nurture the spirit and mind as well as the body. Programs at the Y provide education to support healthy lifestyles and opportunities to learn, grow and connect with others in meaningful ways.

Our goal is to make the Y accessible and affordable for any individual who can benefit from the programs and services we offer. More than \$2.2 million in annual financial assistance from the Y makes it possible for more people to take advantage of fitness facilities, medical programming, diabetes prevention classes, outdoor education and other services that support healthy lifestyles.

YMCA-sponsored programs such as Girls On the Run – which helps girls in grades 3-8 become more confident, more joyful and more physically fit through a curriculum that incorporates running – are making a positive difference in the lives of kids and families. The Y provides financial assistance to meet the needs of almost two-thirds of the nearly 800 elementary and middle-school students who participate in the program each year.

Social Responsibility

The Y listens and responds to the ever-changing needs of our communities. Whether it's reducing financial barriers to membership or providing support and encouragement to those who need it most, the Y fills the gaps that need filling and bridges the divides that need bridging.

Through the Y's Fatherhood Program, we have impacted the lives of thousands of children by engaging their fathers and providing men with the motivation and skills to be more loving, active and positive role models for their kids. Our YMCA Supportive Housing Campus fills a unique role in the community by offering permanent housing

and wraparound services for 140 residents who were formerly homeless or at risk of homelessness.

Financial Information

Occupancy and Maintenance	3,361,981
Capital Improvements	166,700
Debt Service	1,943,869
TOTAL EXPENSES	\$19,493,265

Our Call to Action

The YMCA of Greater Des Moines exists to strengthen the foundations of community. Since 1868, the Y has been serving Des Moines and surrounding communities with programs focused on youth development, healthy living and social responsibility.

Our members, donors, volunteers, staff and partners make it possible for the Y to carry out this vital work. Here's how you can join the cause:

Donate. As our community grows, so does the need. Your contribution makes it possible for kids to reach their full potential through youth sports, water safety instruction and programs to address the academic achievement gap. You're helping prevent diabetes and other health problems while giving people the tools to manage their own health. And you're providing safe housing and a supportive environment for some of the most vulnerable members of our community.

Join. When you become a member of the Y, you're not only doing something good for yourself – you're doing something great for our community! Your membership helps build a stronger organization that provides belonging and opportunity to more than 100,000 people in the metro area every year.

Volunteer. Whatever your talents, skills and interests, we can find a way to put them to use for the betterment of our community. Serve on a board or committee, help with a fundraiser, coach a youth sports team, collect donated items, serve a meal, read to a child ... the list goes on and on.

Share. Tell your story. Bring a friend to work out or volunteer. Give a membership as a gift. The more we promote our cause, the more powerful it becomes.

Lar is one of more than 100,000 members of our community directly impacted by the programs and services offered through the YMCA. A fifth-grader at Garton Elementary, she arrived in Des Moines from a refugee camp in Thailand, where she and her family fled to escape the conflict raging in their native Burma (Myanmar). The Girls On the Run program sponsored by the Y has helped Lar develop relationships with her peers, improve her English skills and gain confidence.

Thank you for your support

As a nonprofit organization, the YMCA relies upon thousands of individuals and organizations to help us carry out the vital work of strengthening the foundations of community and building healthy spirit, mind and body for all. We take this opportunity to recognize our key supporters for their financial contributions in 2018.

Heritage Club Members

The YMCA of Greater Des Moines' Heritage Club was established in 1977 to increase the awareness of the important gifts made to the YMCA's endowment fund. We recognize and thank those individuals who have included the YMCA of Greater Des Moines in their financial/estate planning, as well as those who have contributed \$5,000 or more directly to the endowment fund during their lifetime. This type of planning ensures that the mission of the YMCA will continue to inspire future generations.
