REVIEW CERTIFICATION: CPR, AED FOR THE PROFESSIONAL RESCUER INCLUDING FIRST AID (STAFF ONLY)

For staff with certifications expiring between March 1, 2020 and Sept 30, 2020 you have had a 120 day extension processed for your certification. You should have received an email from American Red Cross with this extension.

- Advance registration is REQUIRED for all CPR classes. Please contact your branch Welcome Center to register or talk with your supervisor.
- It is highly recommended you read the current Professional Rescuer manual before attending your review course. To access a free online copy of the Professional Rescuer Manual click [here](#).
- There is no online requirement for this course. You must hold a current American Red Cross CPR/AED for Professional Rescuer Certification or certification expired no more than 120 days to be eligible for a review course.
- Once the course is completed your Kronos profile will be updated by human resources.
