## REVIEW CERTIFICATION: LIFEGUARD

For staff with certifications expiring between March 1, 2020 and Sept 30, 2020 you have had a 120 day extension processed for your certification. You should have received an email from American Red Cross with this extension.

- This is an American Red Cross Blended Learning course. It is highly recommended you read the current Lifeguard Manual before attending your review course. To access a free online copy of the Lifeguard Manual click [HERE](#).
- There is no online requirement for this course.
- You must hold a current American Red Cross Lifeguard Certification or certification expired no more than 120 days to be eligible for a review course.
- After completing the in-person course your Kronos profile will be updated by human resources.
