At the Y, strengthening community is our cause. Every day, we work side-by-side with our neighbors to make sure everyone has the opportunity to learn, grow and thrive.

Our work focuses on making a lasting difference in three key areas:

Improving the nation's health and wellbeing

- Access to Y fitness facilities and programs, with scholarships for those unable to afford the full cost

OUR CALL TO ACTION

Our members, donors, volunteers, staff and partners make it possible for the Y to carry out the vital work of strengthening community. Here's how you can join the cause:

DONATE As our community grows, so does the need. Your contribution makes it possible for kids to reach their full potential through youth sports, water safety instruction, and academic enrichment. You're helping prevent conditions like diabetes and heart disease while giving people the tools to manage their own health. You're providing safe housing and support for some of the most vulnerable members of our community.

JOIN When you become a member of the Y, you're not only doing something good for yourself—you're doing something great for our community! Your membership helps build a stronger organization that provides belonging and opportunity to more than 75,000 people in the metro area every year.

VOLUNTEER Whatever your talents, skills, and interests, we can find a way to put them to use for the betterment of our community. Serve on a board or committee, help with a fundraiser, coach a youth sports team, collect donated items, serve a meal, read to a child ... the list goes on and on.

SHARE Tell your story. Bring a friend to work out or volunteer. Give a membership as a gift. The more we promote our cause, the more powerful it becomes.
